## Equal Opportunities Monitoring Form

Careaid Limited is an Equal Opportunities Employer and as such we wish to demonstrate our commitment to equality. To do so, we need to monitor the applicant's sex, age, marital/family status, religion, disability, colour and ethnic origin. This is to ensure that no job applicant or employee receive less favourable treatment because of these factors. Our selection criteria and procedures are frequently reviewed to ensure that individuals are selected, promoted and treated on the basis of their relevant merits and abilities. All employees are given opportunity and are encouraged to progress within the organisation.

We are committed to an on-going programme of action to make this policy fully effective and would ask you co-operation by filling in this survey. The information which you give on the form will be treated in the strictest confidence and will not be used for any purpose other than monitoring.
